PERSONALISATION

We offer a wide range of personalisation options to make your menu covers truly unique. From engraving and embossing to full-colour printing and foiling, we bring your brand identity to life on wood, leather, or eco-friendly materials. Whether you prefer a subtle logo impression or vibrant colours, our customisation ensures your menus reflect the character of your restaurant, café, or bar.

FINISHING

We provide different solutions to secure your menu pages neatly and practically. Choose from screws, elastic bands, corner holders, fixing planks or metal binders—each designed for durability and ease of use. Whether you want a classic screw system for a premium look, flexible elastic for quick page changes, or discreet corner holders for a minimalist style, we make sure your menus are both functional and elegant.

Style, Durability, and Uniqueness

We offer a wide selection of high-quality menu covers that will help you stylishly and conveniently organize your establishment's menu. Our menu holders are made from premium plywood, ensuring exceptional durability and longevity.

Stylish Design
Our menu covers perfectly complement any interior, adding a touch of sophistication. They can be used in restaurants, cafes, bars, and other establishments, serving as an aesthetic highlight.

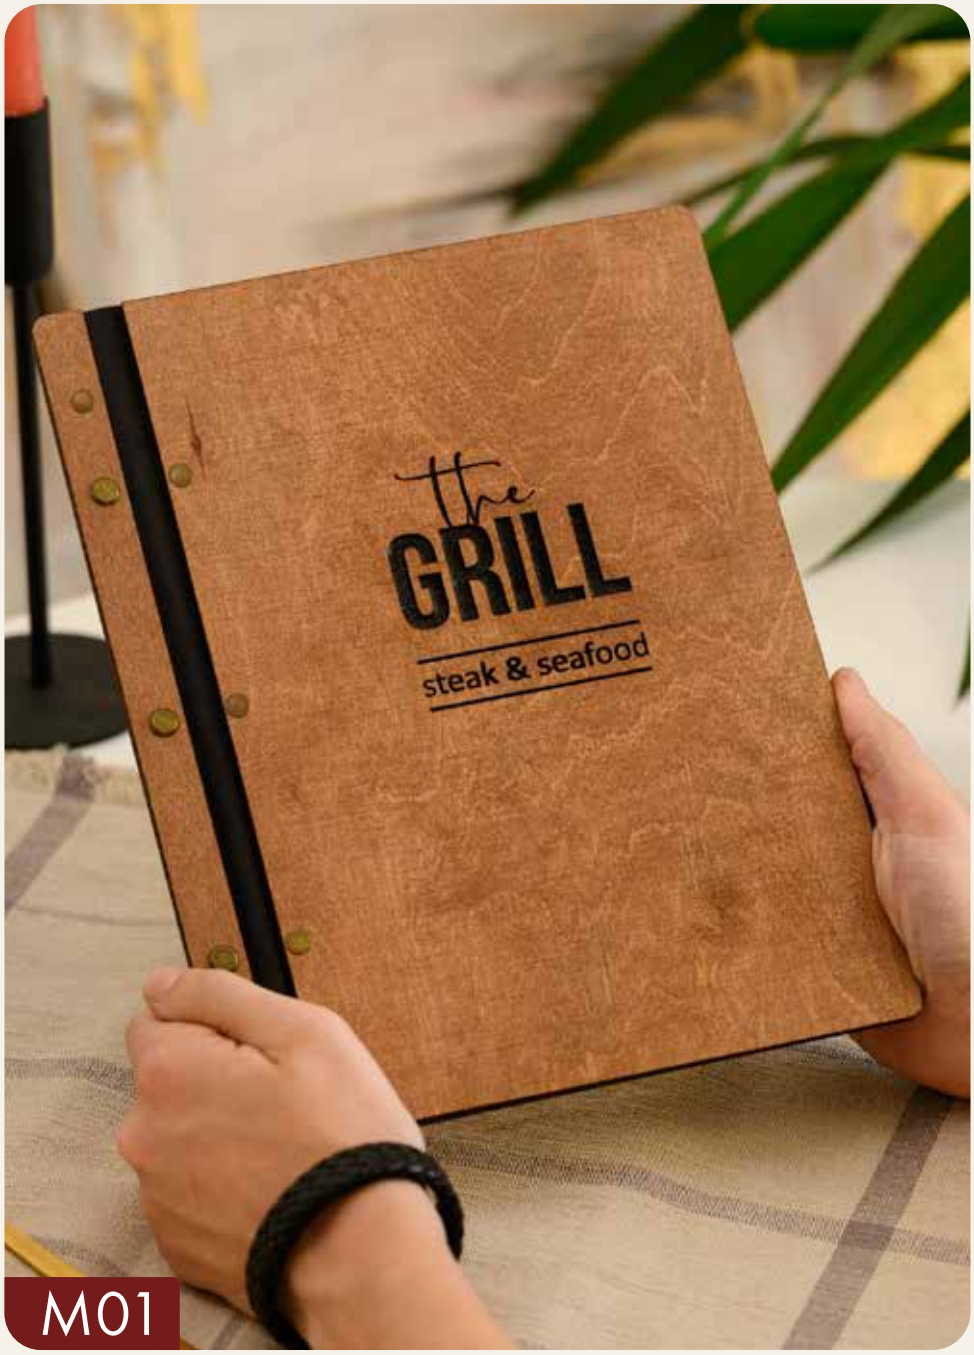

Convenience and Care
Plywood menu covers are easy to use and simple to maintain. They are wear-resistant and easy to clean, making them ideal for everyday use.

Engraving and Uniqueness
We offer options with engraving capabilities, allowing you to add your brand's logo and highlight its uniqueness.
